Macon, Ga., June 2.—(Special.)—Dr. W. L. Pickard, newly-elected president of Mercer university, wired the board of trustees tonight that he was inclined to accept the offer of the presidency and that his final decision would be made tomorrow. The trustees have not completed their work yet, but announced two or three important actions taken tonight. The question of the abolishment of the Greek letter societies from the university was referred to a committee to be reported on at a future meeting.

The new executive committee of nine members, replacing the prudential committee, which has been abolished, was announced as follows: W. B. Harwood, chairman; Cliff Walker, Monroe; J. Pope Brown, Hawkinsville; John E. White, Atlanta; A. L. Adams, Macon; W. P. McWhorter, Woodville; A. D. Freeman, Newnan; Judge J. G. McCall, Quitman; and G. W. Garner, Macon. The latter two are ex-officio members.

The board also definitely decided to name a business manager to have entire charge of the physical property of the institution.

The board of trustees was reorganized today. J. G. McCall, of Quitman, being re-elected president; Dr. W. B. Garner, of Macon, secretary, and J. Pope Brown, of Hawkinsville, vice president.

The entire faculty of Mercer was re-elected today for another three-year term, with the exception of Professor H. T. Lott, who has been filling the chair of history. He declined to stand for re-election and his place will be filled by the executive committee.

Anderson Given Handsome Mahogany Set by Members of the Atlanta Rotary Club

At the annual election meeting and banquet of the Atlanta Rotary club, which took place in the ballroom of the Hotel Ancker last night, Hubert W. Anderson, the retiring president of the club, was presented with a magnificent three-piece set of mahogany furniture as a testimonial of appreciation from the club for his splendid work as the first president of the club.

In the absence of Ivan E. Allen, chairman of the board of directors, the presentation speech was made by Colonel F. J. Paxson. Mr. Anderson's speech, after a graceful acknowledgment of the tribute, was a review of what the Rotary club accomplished during the first year of its existence. He touched on the successful campaign of the club to raise money for the Associated Charities, on its successful work in the establishing and equipping of a special city hospital for contagious diseases, and of its hard fight for the greater Grady bond issue—a work which while the first effort was not crowned with success, is expected to bear fruit in the future.

The other principal speaker of the evening was Albert S. Adams, the newly elected president of the Rotary club, outlining Rotary plans for the coming year.

Officers Formally Elected.
The following officers, who were nominated at a primary and a caucus of months ago, were elected last night, the entire ticket:

President, Albert S. Adams; first vice president, H. C. Foster; second vice president, R. L. Foreman; secretary, L. D. Hickey; corresponding secretary, W. B. Seabrook; treasurer, Howard G. Elder; sergeant-at-arms, George W. Allen.

The following new directors were elected to fill unexpired terms: Henry Grady, Lee Jordan, Hubert W. Anderson, W. B. Seabrook, H. G. Hastings. The ballroom of the Ancker was specially decorated for the occasion with a big table in the form of a rotary wheel in the center of the room.

FUNERAL OF CARSON, WHO KILLED SELF, HELD AT TIFTON

Tifton, Ga., June 2.—(Special.)—The funeral of Joseph Peyton Carson, who committed suicide at Kansas, Miss. Saturday morning, was held this morning. The service was held at the home of his brother, Briggs Carson. The interment was in Oak Ridge cemetery. The body, accompanied by Keith Carson and the wife and little daughter of the deceased, reached Tifton this morning. The services were conducted by Rev. C. W. Jordan, of the First Baptist church, with a special musical service by the choir. Editor L. Smith, of the Tifton News, was an uncle of Mrs. Carson, and was present. The body was taken to the funeral home of J. W. Wilkins, of the Commercial Hotel, and his wife were among the attending friends.

Mr. Carson had been in bad health for some time, the climate of Mississippi proving very injurious to him. He had asked his house for a change of residence, which had been granted him, but before it came temporary mental unbalance due to nervous prostration, led to the rash act.

Investigations of properties are made for the employees at the expense of the company. Payments on homes are taken care of through the savings and loan feature of the relief department, in order that the railroad men may carry on their payments in monthly installments.

TO THE PUBLIC:

Statements have appeared in the news columns during the past few days so unwarranted in fact that we deem it proper to state the following:

The average number of persons employed by us regularly is 1,400.

We now have in our employ 1,360.

The number of employees who went out on strike are 78, about five per cent. of the total.

The people now in our employ desire to work.

Those on strike, 78, aided by strangers, are endeavoring to prevent, by usual methods, the 1,360 who wish to work.

Our weekly pay-roll amounts to the sum of \$11,500.00 per week; the average wages are \$8.50 per week, per person.

The fines per week do not exceed the sum of \$10.00 out of a pay-roll of \$11,500.00 per week. It costs this Company more to audit the fines than the amount so received, but it is at times necessary to impose slight fines to insure proper performance of duties.

This Company has always anticipated legislation as to hours of labor, and age of employment.

Since 1881, during panic as well as prosperity, it has run without cessation.

It has no commissary, and has always paid its employees in cash.

The striking employees, we think, are misled by persons who are not employees, and some of these strangers have never been in our employment, and are not citizens of this state.

We have in our employ 14 minors between the ages of 12 and 14, and 50 minors between the age of 14 and 16, all of whom have strictly complied with the law covering the employment of minors.

We do not believe this community can be benefited by having misstatements spread broadcast, hence we furnish the facts.
